Itanagar is a picturesque town located in the northeastern state of Arunachal Pradesh, India. Known for its diverse and pristine natural beauty, vibrant cultural heritage, and unique tribal traditions. It's often called the "Land of Dawn-lit Mountains" and is the first Indian state to greet the rising sun.

Our venue the HOTEL WAII INTERNATIONAL, is nestled amidst the breathtaking landscapes of these charming mountain views and is a perfect blend of comfort, serenity and authentic Arunachali hospitality. Located in the Heart of the capital city, the hotel is surrounded by breathtaking mountains and waterfalls.

On behalf of the organizing committee we once again invite one and all to be a part of this academic, cultural & culinary feast.
